

Montana Student Ministries Summer Camp Internship

Thank you for your interest in being a summer intern for Montana Student Ministries! Each year 3-6 young adults are selected to serve at our Montana Network Summer Camps. Beginning with Family Camp, followed by High School Camp, Glacier Kids Camp, Middle School Camp and if possible, Big Sky Kids Camp at Lambert, MT. Typically interns are graduating seniors or university-age people. We love our interns and can look back over the years of summer internship with a lot of fun memories and life-time friendships. You may have been coming to camp your whole life as a camper, so now we invite you to apply to come as one of the team!

The internship serves two important purposes:

1. To provide the intern with the opportunity to learn and grow in their faith in Christ and as a servant leader.
2. To provide GBC with competent, consistent help for the weeks of the Network camps.

The time of commitment is from the Wednesday night before the start of Family Camp beginning with an orientation that evening and Thursday as a full work day. The internship at GBC will last through the day after the last youth camp, or for one more week if any interns are able to attend Big Sky Kids Camp. You can see the dates of these camps in the Events area on our web site: www.montanastudentministries.com.

Provided for the intern are lodging, meals during the week of camp and \$100 per camp (4 camps, 5 if attending Big Sky Kids Camp).

Next Steps:

1. Download and fill out the Internship Application. Give the application to your pastor to be signed and then mailed to the Network Office in care of Summer Camp Internship on or postmarked by April 5, 2019. The sooner we receive them the better, as we pray over them seeking out God's heart for these positions.
2. You will receive notification of acceptance by mid April.
